FABRIC LAUNDERING

MANY SUMMERHOUSE FABRICS ARE PRE-WASHED, AND MAY BE LAUNDERED UNLESS OTHERWISE NOTED. MOST ARE LAUNDERED IN COLD WATER AND DRIED IN A HOT DRYER. SOME FABRICS WILL SHRINK A SMALL AMOUNT IN SUBSEQUENT LAUNDERINGS (PARTICULARLY IF THEY HAVE BEEN PRESSED IN THE FABRICATION PROCESS). SOME COLORS WILL CONTINUE TO SOFTEN.

- WE RECOMMEND COLD WASH AND WARM DRY CYCLE.
- GENTLE WASH AND DRY CYCLES SHOULD BE USED.
- BLEACH IS NOT RECOMMENDED AND DETERGENTS SHOULD NEVER BE APPLIED TO FABRICS FULL-STRENGTH.
- DISSOLVE ALL CLEANING PRODUCTS BEFORE IMMERSING FABRIC.
- DO NOT PACK TOO TIGHTLY IN WASHER. LARGE ITEMS SHOULD BE PROFESSIONALLY LAUNDERED.
- WE CANNOT BE RESPONSIBLE FOR DAMAGE TO FABRIC IN SUBSEQUENT LAUNDERINGS.
- WE RECOMMEND ALL FABRICS BE WASHED IN SEPARATE LOADS; ANY SLIPCOVER THAT IS CONSTRUCTED WITH MORE THAN ONE FABRIC MAY REQUIRE DRY CLEANING TO INSURE AGAINST COLORS BLEEDING FROM ONE FABRIC TO ANOTHER, AND THEY MAY SHRINK AT DIFFERENT RATES.
- SOME COLOR BLEEDING MAY OCCUR, WHITE LININGS MAY BECOME DISCOLORED.
- TEST ALL CLEANING PRODUCTS ON AN AREA OF THE SLIPCOVER WHICH IS NOT VISIBLE WHEN INSTALLED PRIOR TO APPLICATION.
